

Wild Earth Weekend

Saturday, April 22 and Sunday, April 23

Noon-5pm

Held at Wild Bear Nature Center

Nederland, Colorado

FREE

Over the years Wild Earth Day has engaged tens of thousands of people in learning about planet Earth. The event has taken many forms over the last 16 years beginning with a partnership with the National Center for Atmospheric Research (NCAR). This special Earth Day event has been held at Central Park Boulder and last year at the University of Colorado Museum of Natural History.

Now, Wild Earth Weekend has evolved to a simple weekend offered at Wild Bear Nature Center in Nederland. Free to the public, visitors to the nature center will engage in educational booths and activities focused on nature and living lightly on the planet.

Wild Earth Weekend is centered around celebrating this magnificent planet and learning about how we can peacefully coexist with the natural world.

- **To Reserve a spot for your group:** Complete and mail, fax or email the Registration Form to apply for booth space in the Nature Center. **Applications will be reviewed and chosen on a first come first served basis. Spaces are limited.**
- **Registrants MUST provide own table.**
- **Questions?** Please contact Melissa Freeman, Administrative Assistant at info@wildbear.org or (303)-258-0495.
