

OUTREACH PROGRAMS

Outreach Programs Include:

- Elements that meet state Science, Language Arts, Math & Social Studies academic content standards.
- A design that compliments both BVSD and state curriculum.
- Teachers with strong backgrounds in earth science education.

Teacher Reviews of Wild Bear Programs:

"The instructor had a passion for her subject and created that feeling within the kids."

"I would/will love to work with [Wild Bear] again. As always, Wild Bear field trips are hands on, interesting, professional, FUN, and meet our objectives."

OUTREACH PROGRAMS

Available year-round! Wild Bear is also able to create an individual program to meet your learning goals...

Traveling Arthropod Zoo The very popular Arthropod Zoo is available to visit your classroom! Meet Clyde the Emperor Scorpion, Petunia the rose-hair tarantula, and more. Observe these fascinating creatures up close. For an outdoor element to this program, we will take your class to a nearby stream or pond to look for and observe aquatic macroinvertebrates.

A Classroom Without Walls (Mud Lake Nature Discovery Program) Come to Mud Lake near Nederland for a unique outdoor adventure! Allow your class to experience the tranquility of a mountain lake, helping cultivate your students' appreciation of nature.

Tracking Colorado's Wildlife Track Colorado's amazing animals! Learn to identify signs of the animals that share our woods, streams and meadows. Investigate the lives of mammals such as bear, elk and beaver through hands-on interaction with pelts, skulls and tracks.

Fabulous Food Chains and Wonderful Webs

Investigate the interactions between Earth's organisms. Create your own food chains and webs to explore the flow of energy from the sun all of Earth's creatures—including you!

ABOUT WILD BEAR

Since 1995, Wild bear has been committed to serving the community by providing top quality and affordable natural science education experiences for youth and families. Founded by an elementary school teacher, Wild Bear's passionate vision was inspired by the belief that learning should be life-long, occurring every day and all day throughout our lives.

Thank You to Our Sponsors:

S.L. Gimbel
Foundation

Wild Bear is a non-profit organization dedicated to fostering a life-long appreciation of the environment and promoting an environmentally aware, responsible, and ecologically sound community.
