

Makerspace Volunteer

Are you artsy? Do you enjoy crafts? Wild Bear is looking for volunteers to host our makerspace for make and take craft hours, programs, and more. Makerspace volunteers will assist guests with creating fun, earth friendly crafts and art, set up and clean up after Makerspace programs/open houses, and help plan weekly makerspace activities for the community.

Position Duties

- Assist Wild Bear Staff with planning and preparation for makerspace programs.
- Greeting and assisting participants with arts and crafts projects
- Makerspace breakdown and cleanup

Requirements & Qualifications

- Must have a professional, friendly, and positive attitude.
- Must be dependable and punctual
- Must be able to work in a team and independently

Hours

The makerspace is open on weekend afternoons.

Benefits

- Gain outreach and event experience
- Recognition for volunteer hours
- Contributing to Wild Bear Nature Center through providing memorable experiences for community members at events

About Wild Bear

Wild Bear is Boulder County's only nonprofit nature center that is open to the general public year-round. Through both our free nature center and many camps and programs, we provide hands-on nature experiences for people of all ages. Our mission is inspiring a lifelong connection to nature and community through creative exploration of the outdoors.

For more information contact Erin Barbeau, community engagement director, at erin@wildbear.org or call (303) 258-0495.
